Non-Discrimination ADA/Title VI

Complaint Procedures

These procedures provide guidance for all complaints filed under Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act of 1990 (ADA) as they relate to any program or activity that is administered by **RAINBOW ACRES.** including consultants, contractors and vendors. Intimidation or retaliation as a result of a complaint is prohibited by law. In addition to these procedures, complainants reserve the right to file a formal complaint with other State or Federal agencies or to seek private counsel for complaints alleging discrimination. Every effort will be made to resolve complaints at the lowest possible level.

- (1) Any person who believes he and/or she has been discriminated against on the basis of race, color, national origin, or disability may file a Discrimination complaint by completing and submitting the agency's Title VI Complaint Form.
- (2) Formal complaints must be filed within **180** calendar days of the last date of the alleged act of discrimination or the date when the alleged discrimination became known to the complainant(s), or where there has been a continuing course of conduct, the date on which the conduct was discontinued or the latest instance of the conduct.
- (3) Complaints must be in writing and signed by the complainant(s) and must include the complainant(s) name, address and phone number. The ADA/Title VI contact person will assist the complainant with documenting the issues if necessary.
- (4) Allegations received by fax or e-mail will be acknowledged and processed, once the identity of the complainant(s) and the intent to proceed with the complaint have been established. For this, the complainant is required to mail a signed, original copy of the fax or email transmittal for the complaint to be processed.
- (5) Allegations received by telephone will be reduced to writing and provided to the complainant for confirmation or revision before processing. A complaint form will be forwarded to the complainant for him/her to complete, sign and return for processing.
- (6) Once submitted **RAINBOW ACRES.** will review the complaint form to determine jurisdiction. All complaints will receive an acknowledgement letter informing her/him whether the complaint will be investigated by the **RAINBOW ACRES.** or submitted to the State or Federal authority for guidance.

- (7) **RAINBOW ACRES.** will notify the ADOT Civil Rights Office of ALL Discrimination complaints within 72 hours via telephone at 602-712-8946; or email at civilrightsoffice@azdot.gov.
- (8) **RAINBOW ACRES.** has 60 business days to investigate the complaint. If more information is needed to resolve the case, the Authority may contact the complainant. The complainant has 60 business days from the date of the letter to send requested information to the investigator assigned to the case. If the investigator is not contacted by the complainant or does not receive the additional information within 60 business days, the Authority can administratively close the case. A case can be administratively closed also if the complainant no longer wishes to pursue their case.
- (9) After the investigator reviews the complaint, she/he will issue one of two letters to the complainant: a closure letter or a letter of finding (LOF). A closure letter summarizes the allegations and states that there was not a Discrimination violation and that the case will be closed. An LOF summarizes the allegations and the interviews regarding the alleged incident, and explains whether any disciplinary action, additional training of the staff member or other action will occur.
- (10) A copy of either the closure letter or LOF must be also be submitted to ADOT within **72** hours of that decision. Letters may be submitted by hardcopy or email.
- (11) A complainant dissatisfied with **RAINBOW ACRES.** decision may file a complaint with the Arizona Department of Transportation (**ADOT**) or the Federal Transit Administration (**FTA**) offices of Civil Rights: **ADOT:** ATTN ADA/Title VI Program Coordinator: 1801 W. Limited English Proficiency Plan

RAINBOW ACRES. has developed the following Limited English Proficiency Plan (LEP) to help identify reasonable steps to provide language assistance for LEP persons seeking meaningful access to **RAINBOW ACRES.** services as required by Executive Order 13166. A Limited English Proficiency person is one who does not speak English as their primary language and who has a limited ability to read, speak, write, or understand English.

This plan details procedures on how to identify a person who may need language assistance, the ways in which assistance may be provided, training to staff, notification to LEP persons that assistance is available, and information for future plan updates. In developing the plan while determining the **RAINBOW ACRES.**'s extent of obligation to provide LEP services, the **RAINBOW ACRES.** undertook a U.S. Department of Transportation four-factor LEP analysis which considers the following:

Non-elected Board of Trustees

Membership Table

Subrecipients who select the membership of transit-related, non-elected planning boards, advisory councils, or committees must provide a table depicting the membership of those organizations broken down by race. Subrecipients also must include a description of the efforts made to encourage participation of minorities on these boards, councils, and committees.

Efforts made to encourage minority participation include:

Soliciting referrals from current board members,
Soliciting leaders of our supporting organizations for referrals, and
Seeking referrals from national organizations

Table Depicting Membership of Committees, Councils, Broken Down by Race

Body	African American/ Black	American Indian/Alaskan Native	Native Hawaiian/ Other Pacific Islander	Asian	Hispanic/ Latino	White
Population	7%	0%	0%	13%	0%	80%

Monitoring for Subrecipient Title VI Compliance

Describe how you monitor your subrecipients. This can be through site visits, submissions of Title VI Plans annually, or training and surveys.

☒ **RAINBOW ACRES.** does not monitor subrecipients for Title VI compliance.

Title VI Equity Analysis

A subrecipient planning to acquire land to construct certain types of facilities must not discriminate on the basis of race, color, or national origin, against persons who may, as a result of the construction, be displaced from their homes or businesses. “Facilities” in this context does not include transit stations or bus shelters, but instead refers to storage facilities, maintenance facilities, and operation centers.

There are many steps involved in the planning process prior to the actual construction of a facility. It is during these planning phases that attention needs to be paid to equity and non-discrimination through equity analysis. The Title VI Equity Analysis must be done before the selection of the preferred site.

Note: Even if facility construction is financed with non-FTA funds, if the subrecipient organization receives any FTA dollars, it must comply with this requirement.

☒ **RAINBOW ACRES.** has no current or anticipated plans to develop new transit facilities covered by these requirements

Fixed Route Transit Provider Analysis

Fixed Route: Public transit service (other than by aircraft) provided on a repetitive, fixed-schedule basis along a specific route, with vehicles stopping to pick up passengers.

A subrecipient providing fixed route service, as defined above, must determine the distribution of transit amenities or the vehicle assignments for each mode in a non-discriminatory manner. The subrecipient must develop policies to ensure service is not distributed on the basis of race, color, or national origin.

Effective practices to fulfill the Service Standards requirements include developing written policies covering each of the following service indicators: [INSTRUCTIONS] (can be expressed in writing or in table format – see Circular Appendix G & H pp. 87-91)

☒ **RAINBOW ACRES.** is not a Fixed Route Transit Provider
